CELEBRITY GOSSIP

Slim Kim's Bikini Bust

Perhaps history won't remember Kim Kardashian's curriculum vitae too kindly, but as for us here at *Adult Sport*? A sex tape and lots of photos of you fannying around in bikinis works for us. And, whether you can stomach her reality show or not, this body – catching some sun in the Dominican Republic recently – is not to be argued with. We just want a go on it.

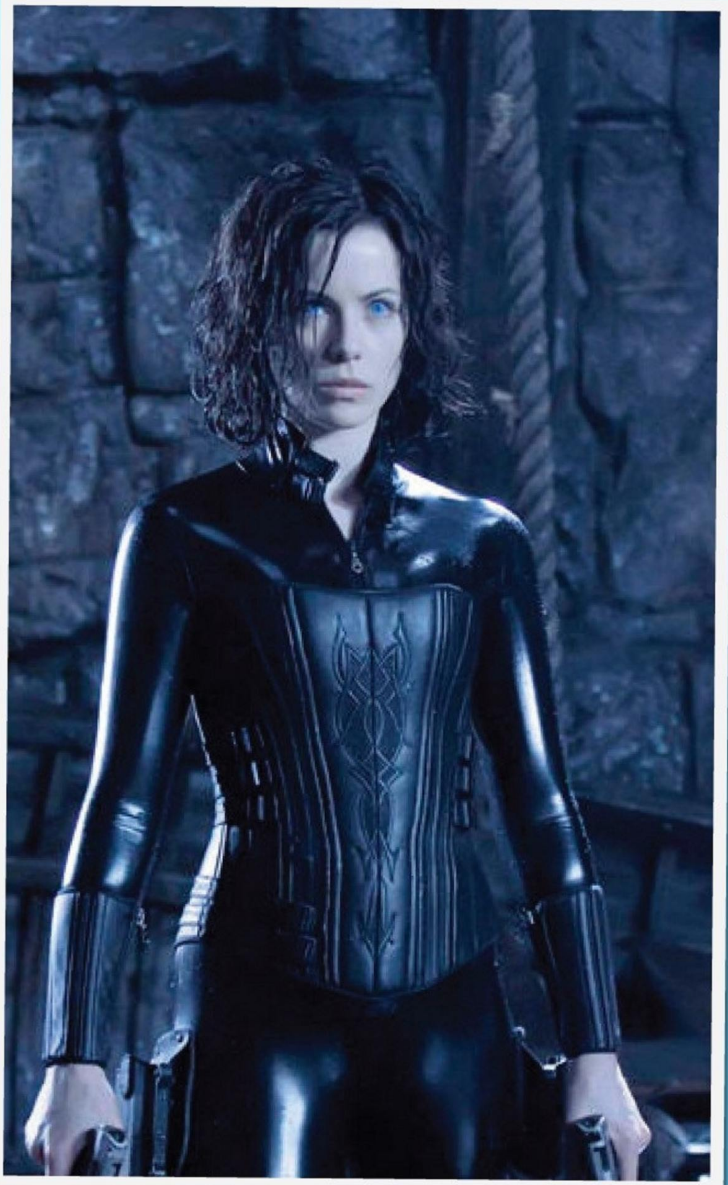
Stating The Obvious

As if he isn't annoying enough already, having married a woman who is rich, talented and scrubs up well, Matthew Rutler, Christina Aguilera's other half, has declared himself 'happy with her body'. Okay, so she's piled on a couple of pounds, but she's hardly going to crop up on *Embarrassing Bodies* any time soon. And as she's shown in the past, when she's about to shoot a new music video or go on tour, she trims down to a body that can only be described as 'immensely fuckable'. So bottle it, Rutler. Although, if you're ever 'unhappy with her body', get your missus to give us a call.



Vampire Bride

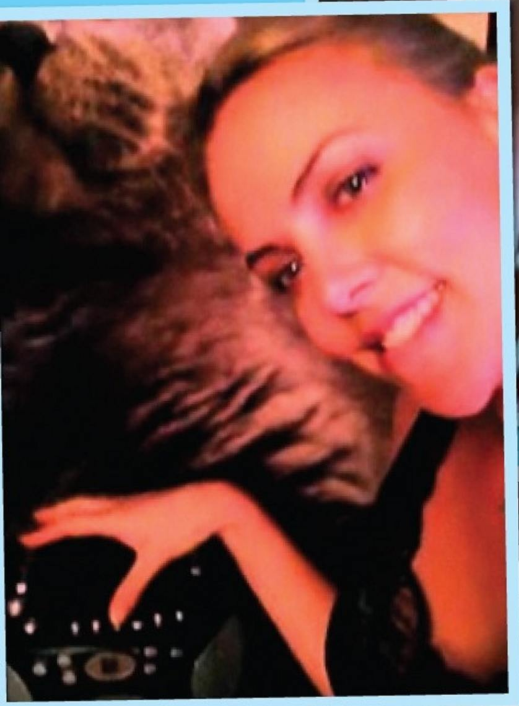
Everybody loves going to weddings – getting pissed, booing the shitty best man's speech, trying to tit up a bridesmaid. But we'd pay good money not to be invited to the nuptials of Isakin Jonsson and Michelle Gustafsson, who got engaged recently. Why? Well, they met in Karsruddens psychiatric hospital in Katrineholm, Sweden. Why were they there? Gustafsson, 23, stabbed a man to death and then drank his blood. Jonsson, by contrast, cut the throat of Helle Christensen, a mother of five, sawed off her head and ate some of her flesh. You do not want the catering job at that wedding. Why can't she be a sexy vampire like Selene from *Underworld*? Eh?

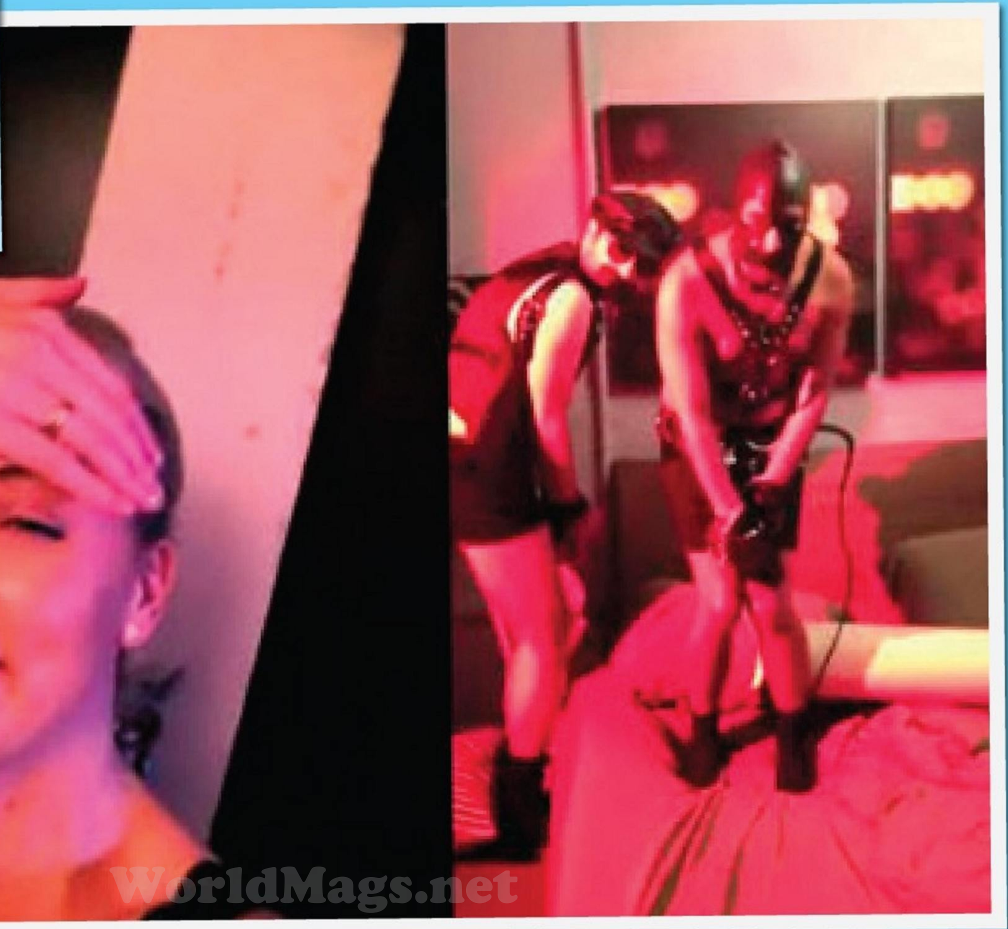
Copshots

Memphis, Tennessee cop Dion Anthony had sex with an 'unknown female' in his squad car recently and inadvertently broadcast it through either his handheld or console microphone. Not only did his colleagues get to listen in on him getting his dick wet, but those concerned citizens with police scanners will have been able to eavesdrop as well. Anthony has been suspended, and the police are still deciding whether or not to release the audio to the public. Let's just hope he wasn't giving it to her up the rusty sheriff's badge...

Charlize Theron Sex Tape (Almost)

"Move over Paris and Kim, because I'm into some real kinky shit," says Charlize Theron in her newly released sex tape. But, sadly, we're not going to see her gobble cock like Pam or Tulisa, as this was just a spoof she release on *www.funnyordie.com*. After talking to the camera about her sex tape, we see a couple of gimped out men being told to dance, then to 'cry for me', while two other men in robes with long beaks watch. Finally, she throws hot milk at them and says 'time for the bleeding'. Yup, if Charlize was ever going to make a real sex film, it'd be one fucked up sex orgy!





Dildo's that went the way of the Dodo.

April saw the opening of San Francisco's newest museum (don't all rush at once). And like a horrifying trawl through grandma's attic, The Antique Vibrator Museum is full of toys that have been tickling fancies through a couple of world wars. Curator Carol Queen says, "We're not doing ancient sex implements. The oldest we have dates back to 1890." Exhibits include the Detwiller pneumatic vibrator from 1906, that looks like something a dentist might use, and a hand-cranked model made for homes that didn't have power. And will there we a backlash as the museum opens? Don't be silly. As Queen says, "This is San Francisco."

Santi Claus!

Sophia Santi has been a high-end porn star since John Prescott discovered pies, but we know which one we prefer to see swallowing things. We caught up with the Canadian cutie and tried to hide our hard-ons while she talked dirty...

Adult Sport: Tell us how you got started in this business.

Sophia Santi:
When I turned 18 I started doing nude modelling scenes on the internet, and after a couple of months of doing that a guy came up from LA and the first words out of his mouth when he saw me were, "I can get you in Penthouse," and I said okay. He flew me down and I just kept getting work once I was there.

The ten days turned into three months in a hotel before I decided to get an apartment, and that was years ago! I was called Natalia Cruze but I became Sophia Santi when I signed with Digital Playground.

AS: Seems as if you started as an exhibitionist.

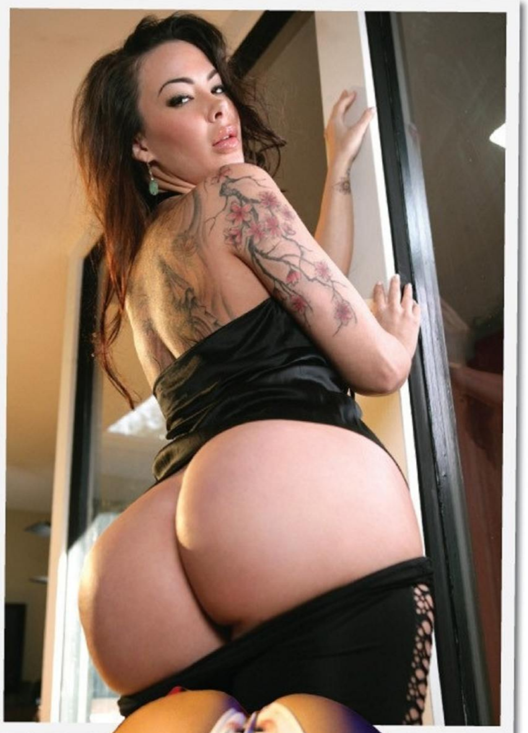
SS: I'm definitely an exhibitionist. I like to do it outside in public places, but trying to get another person to be an exhibitionist with me is harder than you'd think!

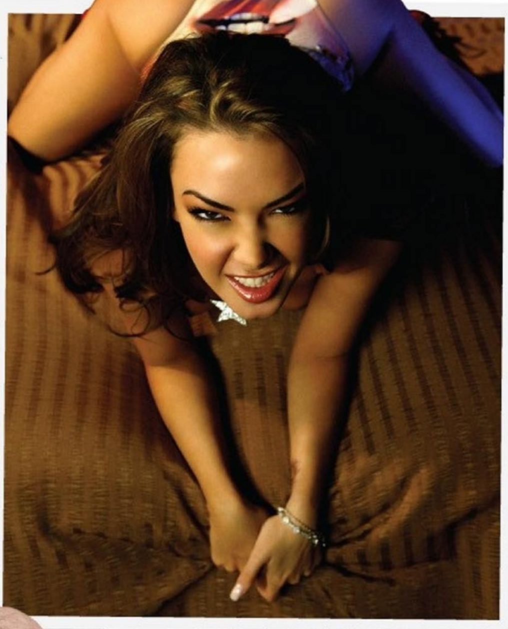
AS: Where's the most unusual place you've had sex?

SS: I don't know, there are so many places… How to name just one? One was in the hallway of a very upscale NY city hotel, we just didn't make it to the room; one was in an outdoors hotel pool in the winter with snow falling, that was awesome; and I've also done it in a burger place bathroom. Shall I go on?

AS: Let's switch to watching – are you a voyeur as well?

SS: Sometimes. I'm not big into watching porn, but I like watching people having sex; I'll watch porn stars have sex if I'm right there. I like to watch people I know have sex. I have one girlfriend who has the most amazing ass I've ever seen, and I tell her all the time that I want to watch her do it – I want to see what it does!





AS: But when you started, you only did solo work. You didn't even work with girls.

SS: Yes, but I've gotten a lot dirtier, even in my personal life; I think my personal life has imitated my professional life in that progression. I started out wanting to be sexy, but I wasn't really a dirty girl – I was a little bit kinky, but not that dirty. Now that I'm more comfortable in my sexuality and my personal fetishes, I find myself acting them out more, and it ends up being pretty dirty!

AS: So tell us about those personal fetishes…

SS: Probably my favourite thing to do is to suck penises! I don't care if they're plastic or real, I just like to suck cock. I always liked it, but once I learned how to deep-throat I fell in love with it. It's a challenge to me and I love to shove it as far down my throat as humanly possible, and gag, and have my make-up run down my face…

AS: Wow! Do you like them hard and ready for you, or do you like to make them grow?

SS: Good question! Probably somewhere in the middle, not completely soft but a half hard-on works great for me. Sometimes if they're way too hard to begin with I can't get them all the way down my throat, and I totally love to do that. If they're rock-hard to begin with, they don't have that little bit of bend I need to slide them down my throat. Once it gets rock-hard, I just want to jump on top or be fucked!

AS: Then there are girls…

SS: Oh yes, and I like eating pussy too! It's less of a challenge because it's not as if there's a feat of something that other people might not be able to do, but I like it just as much; it's fun. I like being slobbery and wet and messy. I decided I was bisexual as a teenager, and even told my parents, and that was before I ever had sex with a girl. I was constantly just pawing my girlfriends and making out with them to tease the boys. Then I decided I was going to make good on it, so I dated this girl that I went to school with. And now I get to have sex with girls for a living, and it fucking rocks!

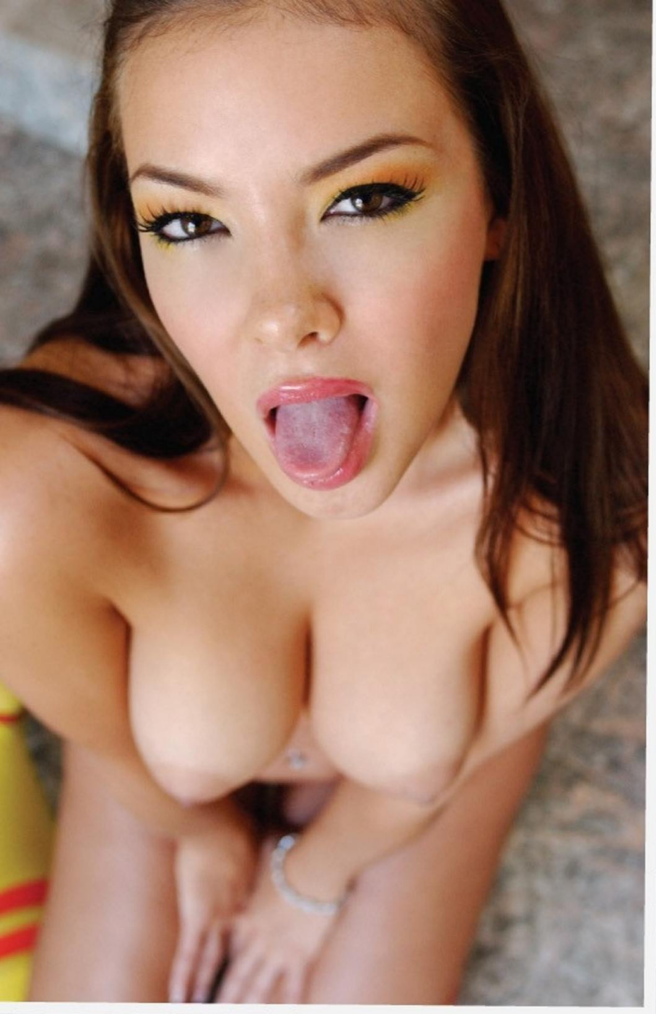
AS: But you also have sex with men in your personal life. What's the difference for you?

SS: I like being able to overpower a woman if I feel like it; I don't want to overpower a man. In fact, if I can overpower a man, I don't want him. But I like being aggressive and dominant with women.

I like women who are aggressive and dominant back so that it's a very aggressive sexual encounter that maybe isn't as possible with men because they're worried about hurting you or whatever.

AS: Of all the women you've worked with, who has your favourite pussy?

SS: I think I'm going to have to say Jana Cova. I just really like it. It's just perfectly smooth and pretty and not too big, not too little, it's very aesthetically pleasing to me and it tastes good.



AS:Do you like to play with your own pussy?

SS: I do, but I do it too much if I let myself, and if I do it too much then my sensitivity goes way down and I hate that, it drives me crazy!

So I try to do it only one day a month and then I'll just do it all day long for that one day. So then I'll be desensitized for two weeks, but the other two weeks I'll be good, so I try to time it!

AS: Is it easy to make you cum?

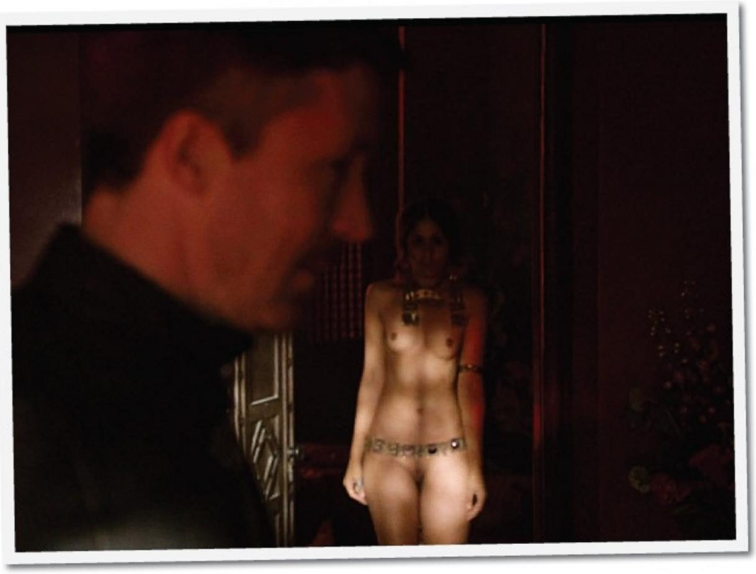
SS: It's easy if I'm in the right position and if I'm fully involved in my orgasm. I don't have internal orgasms, just clitoral. Being fucked makes it happen faster. I like it better if I have a dick inside me, but I have to be active in my own orgasm for it to happen. I love oral sex, and it's a whole different orgasm, but sometimes I want a cock inside me, and the best way is to fuck me while I play with myself.

AS: Tell us about your tattoos.

SS: Oh yes, it's been a work in progress for around eight years and over 50 hours. My right side has a Koi fish that still needs about four hours more work, but the work on my back is done. The goddess on my back is Guan Yin. She's the goddess of compassion and mercy, and she sits on a lotus and rides a dragon. She obviously has her whole story in Eastern mythology, and I really identify with her; she's one of my favourite goddesses

GAME OF BONES!

After watching all of the first series of HBO's brilliant *Game of Thrones*, we were left with lots of unanswered questions? Would Joffrey hold onto his crown? Can Robb Stark continue his run of victories? Can Jon Snow find his uncle north of The Wall? And, most importantly, will there be lots more tits and fanny? Well, we're only a couple of episodes

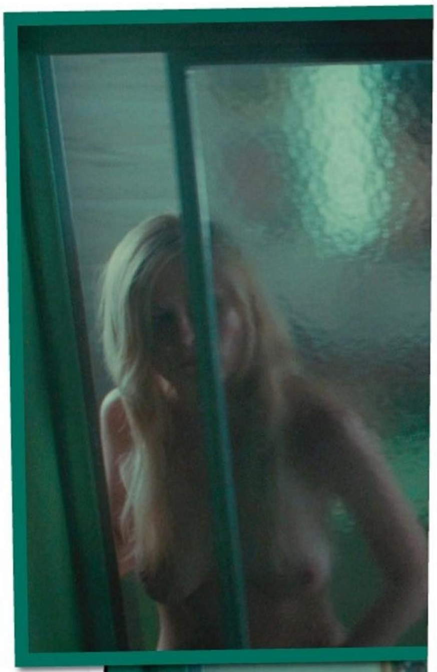


into the second series, and the first three questions we can't answer yet, but to the fourth there's a resounding 'yes'. Already we've seen Brit porn star Sahara Knite nude again and buxom Esmé Bianco grinding on a hard on, as well as new character Melisandre flopping them out. Winter is coming, and so are we!

Kirsten Dunst

CELEBRITY SNATCH

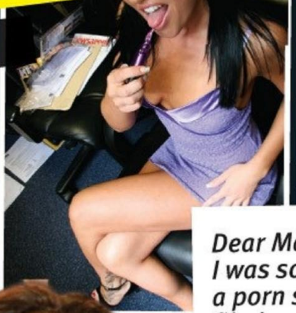
If you fancy a glimpse of Kirsten Dunst's rack, you don't have to look very far these days. After perfecting the wet look as Spiderman's squeeze, she went a step further by unleashing the norkage in *All Good*, then completed the set in arty end-of-the-world flick *Melancholia*. Yup, she finally unleashed the front bottom. Muff respect, Kirsten!



Letters

Do you have any burning questions that you want answered?

Email Mail Slut at: letters@euroticus.net



Dear Mail Slut,
I am sorry to say that I went to a dinner party the other night where I had the misfortune of sitting through that Godawful Britain's Got Talent. I'm pretty sure, after what I've seen, Britain doesn't have any talent at all – except of course for that Alesha girl. My goodness, she would look splendid bobbing up and down on my John Thomas. I know that you clever people are able to track down naked pictures of some rather stellar celebrities so I was wondering, if you are able to, could you print some nude pictures of this gorgeous strumpet?
Gerald, Canterbury

Dear Gerald,
I agree, Alesha Dixon does indeed have a body hot enough to fry eggs on and I am sure she'd make a great decoration for your cock. But sadly, whilst Ms Dixon's career has had its very low points, the long legged lush has not yet resorted to baring all for the camera, nor has she been kind enough to produce a sex tape. Maybe our nice picture ed Felix will do a lovely fake for you?

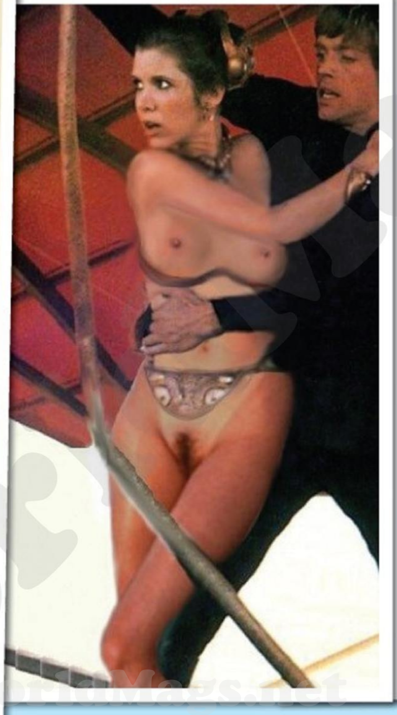
Dear Mail Slut,
I was so inspired by Ben Dover's tips on how to be a porn star that the other night my Mrs. and I tried filming ourselves having a shag. We got a red light bulb so it looked extra seedy, my Joyce got some classy knickers, and we went at it, making loads of noise, trying several positions and I managed a great money shot all over her tits. We couldn't wait to watch the film. But now, after seeing my fat bum and her thunder thighs bashing together, I've think I've been put off sex for life!
Bernard, Hull

Dear Bernard,
I'm guessing that you aren't a fan of either amateur or fatty porn – I actually love watching uglies bonking. But in reality, of course, sex with someone you're hitched is meant to be more about feelings and not what you look like. To reignite your passion, I prescribe shed loads of American, plastic porn and that you fuck your Mrs in the dark until you are able to replace the memory of her thighs with a wank-worthy show reel. And if you'd like someone to safely dispose of that tape, do send it to me.

Letter of the month

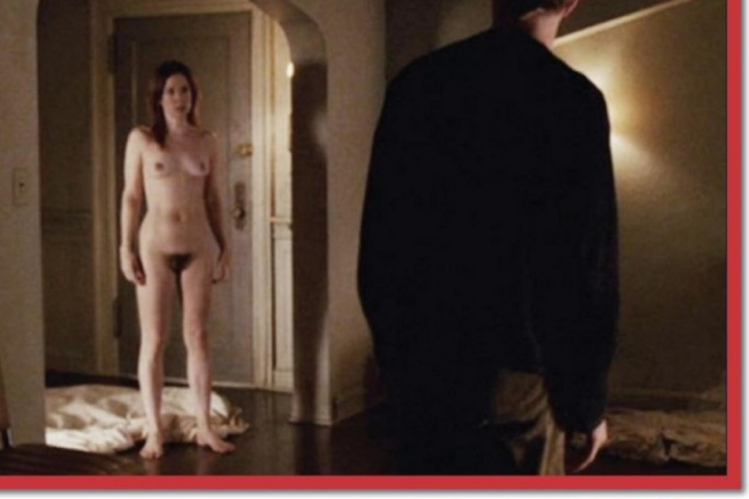
Dear Mail Slut,
I enjoy your magazine every month and can usually find some a fine piece of arse to wank over. So, when I saw that you had a damsel in distress feature, I was so excited at the prospect of seeing my favourite subby star, that I started jerking-off before I'd even found the right page. Imagine my disappointment when I saw that Princess Leia in the gold bikini didn't even get a mention. Surely the way she squirms against fat Jabba, all chained up looking gorgeous, is the stuff of every boy's first fantasy? I don't know who you get to research these things, maybe they should get a stern talking to?
Paul, Milton Keynes

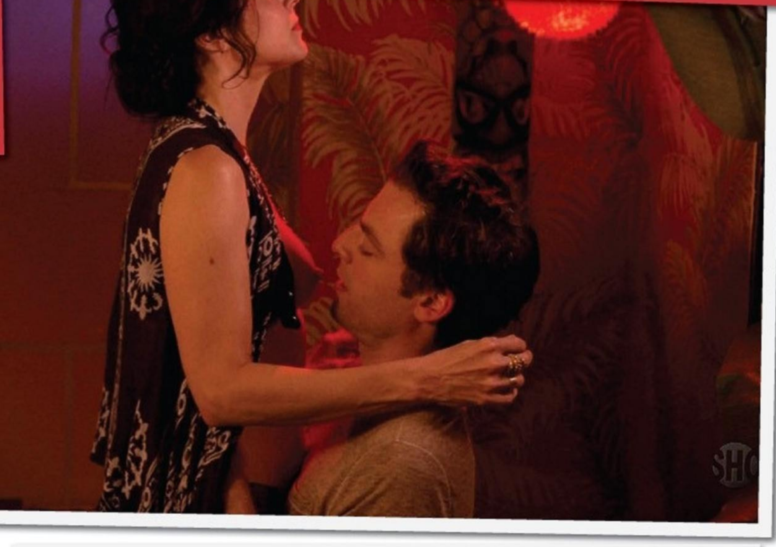
Dear Paul,
Indeed you are right. While the Princess is a moody bitch who knows how to work a gun through much of the trilogy, she does have her damsel moments and I would dearly love to queen that smug face before causing her cheeks to royal flush as I pound her with a strap-on. I fear that I may have been administering a blowjob under the desk of the writer as he penned that feature so this gross neglect of an icon is my fault. To rectify this, I will try bribing our picture ed Felix to fake a shot of the Princess. So, if you see her on these pages, then I am the proud vessel of Felix's spunk.

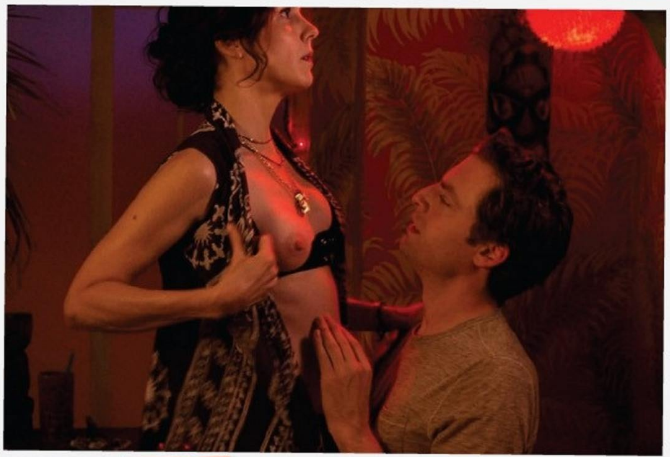


Dear Mail Slut,
Is it true that the Olympic athletes starve themselves of sex before the big games? It seems such a waste of all that testosterone and muscle. I was wondering if maybe Boris Johnson would be interested in holding a greedy girl orgy for the athletes. It could help them celebrate or commiserate their performance. I'd be happy to organise it if you pass on my number?
Suzy, London

Dear Suzy,
I'm not sure why you would think that I have particular inside knowledge of the games. Whilst I am able to get into most of the pants that frequent Downing Street, I would rather vomit than put that crazy man's phallus anywhere near my holes – even my bum! That said, using the spunk of sportsmen for our own amusement is a supremely good idea. My mate Fat Sam runs a boxing club in South London. I'm sure, if we asked nicely, he'd let us into the changing room after the match. What do you think?







Mary-Louise Parker

Mary-Louise Parker plays a widow and mother who turns to dealing cannabis to support her family in the award-winning TV show *Weeds*. But it's when she deals out her dugs that things really pick up. She kept her clobber on for most of the first few series, but it's after she won a Golden Globe for her performance in 2006 that she started getting her very own golden globes out!

Photo Shoot Fucking

I have to thank the editor for giving me a chance to appear here in *Adult Sport* and share my experiences with all you readers out there. I've loved reading what all the other models and porn stars and readers have got up to. My own route into the world of porn came after 18 months hard work of stripping in a couple of London pubs. I won't name them, but they were the sort of establishment where the punters would always try and be a little too hands on, if you know what I mean. Don't get me wrong, I love being naked and performing for an audience, but I'm not so keen on having dirty unknown hands groping and pawing at me! (Well, maybe sometimes that's okay!) And really, for what I had to do every night for three or four hours the money from the stripping gig really wasn't that good. It was some nice extra money to put in my savings account (my day job at the time was in a high street bank, so that's why I'm careful with my cash!) but not enough for all the effort.

Anyway, one Saturday, after a long night of stripping and dancing for a very drunk crowd, me and a couple of other girls were resting in the back room with a bottle of wine when one of them, Julie, mentioned she was meeting with a photographer the next day to do some test shots and hopefully try and get some modelling work. "It'll pay more and there'd be no groping unless the photographer's cute!" she laughed. Until she mentioned modelling, I can honestly say it had never occurred to me as an alternative to stripping. That kept me busy every weekend, and Monday to Friday I was at the bank. I figured if I could make a go of the modelling then I might be able to quit the stripping and have weekends to myself again.

Although Julie probably wasn't as hot as me – her boobs are rather saggy and her legs aren't as long as mine – she's a very sexual person. I don't think she's a fully-fledged lesbian but I know for sure that she's slept with other girls. She certainly has no problem playing for both teams! Anyway, I figured if Julie had the front to pose for a photographer then why the hell wasn't I having some of the action. I made Julie promise to call me after the shoot to tell me how it went and also to give me the photographer's number. "Instead of me calling you, why don't you come with me? Be nice to have a friendly face there while a man I've never met before takes close-ups of my pussy!"

I quickly agreed that I would go with Julie. The more I thought about it, the more turned on I got. That's the best thing about stripping, seeing how horny the men get as I peel off my outfits for them. It's a very powerful feeling, let me tell you! The thought of having my photos plastered all over magazines and the internet was making my panties very wet!
The location for the shoot was a

converted barn in Hertfordshire. As I watched Julie strip down to her undies I sat on a red leather couch in the corner of the room. The photographer, Andy, was actually quite good looking, and didn't look like a perv in any way. He was in his mid-30s and spent ages tinkering with his lights and cameras before he even barely talked to either of us. Finally he was ready. He got Julie to go through loads of poses; on her knees, legs spread wide, on her front, on her back, on her side. All that was with her bra and knickers still on. "Okay, now we're going to do the same poses, but totally nude. Chuck your knickers and bra over there, then get back on the bed on your knees."

I couldn't tell if it was embarrassment or excitement, but Julie was certainly looking flushed; her cheeks were bright red. I have to say she looked pretty turned on; her pussy was clearly wet and her nipples were stiff. Watching my very own strip show was also turning me on. As Andy was putting Julie through her paces he casually glanced over to me. "What about you, am I taking your pictures too?" His directness caught me off guard but I couldn't stop myself from saying yes. "Sure, you want me in the same poses as Julie?" He smiled. "Yeah, and maybe a few new ones too." His cheeky grin was very mischievous. I didn't know what he had in store for me, but I couldn't wait to find out.

Julie had just her panties back on now and was sitting on the couch watching me. She gave me a thumbs up sign as I lifted my T-shirt over my head and unzipped my jeans. I kicked

them off and stood in front of Andy with just my black bra and thong on. “Not bad at all,” I heard him mutter under his breath. “Pull that thong to one side and show me your pussy.” I slipped two fingers inside the thin material of my thong and then yanked it away from my crotch to reveal my totally bald cunt. Andy was so close that I could feel his hot breath on my snatch. “Okay, take them off. The bra too. Let’s see every inch of you uncovered.” I felt more turned on responding to Andy’s comments than I ever did while stripping; this was more intimate, more personal and more of a thrill. I was loving it. And Julie was too judging from the way she was rubbing at her pussy.

“On the bed now, Sasha. Open up those legs and play with your pussy a little bit. Hold yourself open, slip a finger in, that kind of thing. Lovely, that’s it.” I was like a dog on heat as I pushed two fingers in and out of my juicy cunt and then stretched myself open for Andy.

“Mmm, need some help there, Sasha?” purred Julie as she knelt down in front of me on the bed. My legs trembled as she replaced my fingers with her own and started fucking me with her hand. She was rubbing at my clit while sliding two fingers in and out of me. I came suddenly, my whole body jerking and twitching with the intense pleasure.

“Bloody hell, girls. You don’t hang around do you?” laughed Andy. “You can join the fun if you want to,” said Julie in a tone of voice that indicated she was very keen to have Andy’s cock inside her. “Well that wouldn’t be very professional of me, would it? But seeing as you asked…” I watched as he whipped off his jeans to reveal a very obvious bulge in his boxers. He quickly pulled them down, too. His smooth cock stood proud. I grabbed Julie’s hand again and got her to rub at my clit while I beckoned Andy over. He got on the bed beside me and offered his cock to me. I eagerly took his length in my mouth and grabbed at his cute arse while he fucked my face.

Julie by now was eating my cunt, her tongue lashing at my lips and clit. Seeing his opportunity, Andy got behind Julie, grabbed hold of her hips and then plundered his way inside her. Julie groaned as Andy began his strokes; slow at first before he really built up a furious pace. He was fucking like he hadn’t had pussy for months, the sweat was pouring off his forehead. With every thrust of Andy’s cock inside her, Julie moaned a little louder until she shrieked out a deafening scream as she came.

Andy pulled out of her and told us to swap positions. “Eat that sticky cunt of hers while I fuck you.” I pushed Julie’s legs apart, admired her well-fucked hole and then bent down to taste her. I felt Andy’s hand on my hips and him edging closer. Then the tip of his cock was rubbing against my lips. Up and down he teased me before pushing all the way. He was big and throbbing. I pushed back against him to feel every wonderful inch of him. Andy was grunting now and clenching hold of my hips ever tighter. “Cum on my face,” urged Julie. Andy gave me one more thrust, pulled out and knelt by Julie’s face. I watched intently as Andy stroked his cock twice before he erupted and shot huge blasts of spunk all over Julie’s face. It was in her eyes, her hair, everywhere. She was plastered with jism.

That few minutes of frenzied fucking set the tone for the rest of the afternoon! All three of us licked and sucked and fucked to our heart’s content. Andy even took some pictures occasionally! Myself and Julie both ended up doing a bunch of photo shoots for Andy and I still see him around now and again. Whoever said you shouldn’t mix business and pleasure is wrong!

BEN DOVER DELIVERS...

The king of gonzo is no muppet, so pay attention as he tells you how to turn a woman on...

Hi, my name is Ben Dover and, for those that don't know me, I produce and star in films that are character-led reality adult comedy drama's, based loosely on the working dynamic of Hunter S Thompson – otherwise known as gonzo porn.

When asked how to turn on a woman it is important to differentiate between the real world and Pornoland.

In the real world boys are brought up to idolise women and put them on a pedestal; in Pornoland we just bend them over the pedestal and bang them up the arse!

In Pornoland it's so much easier to turn on a woman than in the real world, all you have to do is turn up in a tight pair of shorts to clean a swimming pool or deliver a pizza and before you can say "American Hot with extra mushrooms" you've got hot babes gushing like a New York fire hydrant!

Back in the real world life isn't so easy. Women may tell us that they cum if we just feast on their downstairs buffet. However, they leave out a very important word at the end: eventually.

It's very different when roles are reversed. The BJ is more of a sex snack, you can have it anywhere: bedroom, kitchen, behind the bike sheds of the local girls' school... obviously I don't do the latter. I can't afford it – you should see the amount of Vodka those teachers can get through!

So how do you keep your woman satisfied in the bedroom department? Well, for starters, men can learn a few tips from the fairer sex regarding preparation. It's so important to set the mood: lay out a few scented candles, put on clean sheets, shower and don sexy underwear.

On the subject of sexy underwear, you can't get hornier than a pair of Ben Dover boxer shorts. My mate Rob hadn't pulled for three years, so it's no coincidence that after a modest investment of £9.95 on a pair he's been inundated with offers from moist hot young strumpets.

Once the mood is set the action can begin. Like so many aspects of life, the two primary elements of success are effort and confidence. I'm a great advocate of the fact that great lovers don't necessarily have any different techniques, they merely have confidence in their abilities, feel good about themselves and give it 100%. It's not the size of the nail, more the power of the hammer that's hitting it. Lucky for me I've got a rather large nail.

It's also important to boost the lady's confidence by giving her compliments. Start off by telling her how beautiful she looks. Don't worry as the action progresses you can quickly spice things up by getting a little dirtier in your talk – maybe compliment her on how tight her arse feels.

Next up, foreplay. Back in Pornoland the British Board of Film Classification charges to certificate films by the minute, so even though my films have a long lead in to build the characters we tend to get down to the sex in super quick time.

Most pornos cut straight to the action, foreplay limited to, "I ordered a large pepperoni pizza not a small one. You need to sort me out with your large sausage by way of compensation!"

In the real world, unless you're going to grab a family pack of Rohypnol and put on your best camouflage trousers, which I wouldn't recommend for moral, legal and long term relationship success, my advice is take your time.

I often start with kissing the girls feet and moving up her leg and inner thigh very slowly. When I get to the lady's private playground I generally contain myself, maybe giving it a very brief lick, concentrating instead on her other erogenous zones in the general area.

At this point I prove the female theory wrong by showing men can multi-task. I use both hands to caress her breasts and also stroke the back of her neck. It's important at this stage to keep your Ben Dover boxer shorts on, however tempting it is to release the one-eyed angry snake. The more effort you put in at this stage the happier she's going to be.

After working every part of her body except her pussy, it's time to gradually start working that area, first with fingers. I always concentrate my efforts on the pink pencil sharpener at the front and then employ some sensual tongue action.

Start off slow and methodically and then gradually increase the pace as well as varying the tongue movements, all the time using your hands to stroke hair, breasts, feet and neck.

Sex toys can always be used to facilitate foreplay, but my favourite ones are cock rings that can be used during penetration. It's like getting two for the price of one since both partners get the pleasure. As luck would have it, we have three quality products as part of our sex toy range available on our website *www.ben-dover.biz*

So in summary, like so many other aspects in life, there is no secret to turning on women. It just takes effort, time and enthusiasm.

Though remember, it's not all down to the man to turn on the woman – her own enthusiasm can play a huge part. As Woody Allen said, "Having sex is like playing bridge. If you don't have a good partner, you'd better have a good hand."

Kate Winslet is the epitome of an English rose – albeit one who is happy showing off her stuff the minute some bloke calls 'Action!' From giving us Thomas Hard-ons in *Jude* to going down quicker than the ship in *Titanic* all the way through to unveiling her smokin' hole in *Holy Smoke*, Kate simply can't keep them on. And as for her nude scene in *The Reader*? Consider us watchers...

BRIGITTE BARDOT

Le Sex-Bomb who kicked them all off, Bardot might be best known these days for harping on about lab technicians sticking shampoo in beagles' eyes (she's a fearsome animal rights campaigner) but 77-year-old BB was quite the head-turner back in the days when every single man on Earth wore a suit and a smart hat.

Brigitte wasn't necessarily the greatest actress, but her voluminous lips (and tits) caught the attention of the artsy French New Wave film directors of the 50s and 60s (Louis Malle, Jean-Luc Godard) and flitted between being blowjob-gobbed pin-up of the masses and darling of the intellectual scene (who, let's face it, probably all just wanted a go on her).

Brigitte quit the movies in 1973, but her body of work throughout the 60s is still titillating enough to warrant a view, and it makes your DVD shelf look a bit cleverer.

EMMANUELLE BEART

In the mid-80s, no tedious middle-class dinner party was complete without a discussion of French double-bill *Jean de Florette* and *Manon Des Sources*, a couple of rural flicks whose legacy includes all the Stella Artois adverts and introducing Emmanuelle Béart to the English-speaking world. And when you see just how astonishingly lush Beart is, you can understand why everyone went a bit doolally over her. Taking on the blowjob lips baton from Brigitte Bardot, Béart went on to fully disrobe in the 1991 arthouse epic *Le Belle Noiseuse*, in which she played a painter's nude model, displaying a lovely pert pair of norks and a bit of a wild bush (European, innit). Following a few more Euro hits (*L'Enfer* is actually pretty good) she appeared opposite Tom Cruise in the first *Mission: Impossible* movie, before retreating back to the homeland to appear in lots of films you won't have seen. Now 48, she's still busy making said films.

BEATRICE DALLE

Just a year younger than Emmanuelle Béart, Dalle's popularity soared at the same time as her supremely-fit country-woman, but where Emmanuelle Béart appealed to the middle-classes with her refined good looks, Beatrice Dalle crossed over to the younger, more masturbatorily-oriented film fan, and it's all to do with *Betty Blue*. Yep, the cliché of student walls being adorned with *Betty Blue* posters is totes true, and it's because you could get away with an arty poster of a foreign film, which was basically soft-porn with an arty twist (oh, and a demented self-harming heroine). Beatrice has continued to act (her role in 2007's extreme horror flick *Insides* is amazing and VERY hard to watch) and has also been arrested on numerous occasions (cocaine possession, assault, theft) so she's clearly got a little bit of the *Betty Blue* about her. That gap in her teeth is wide enough to drive a lorry though these days though.

SOPHIE MARCEAU

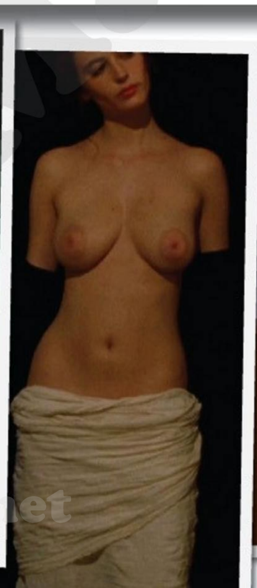
Beautiful, talented and an international star, Sophie had a run in the mid-to-late 90s of appearing in massive hits (*Braveheart*, *The World is Not Enough*, *A Midsummer Night's Dream*) whilst pursuing her arty Euro fare as an actress, writer and director. So yeah, she's basically a lot smarter than you. Her breakout hit outside of France was playing the heroine in 1994's *D'Artagnan's Daughter* but Sophie had been acting successfully since the age of 15, her first film all the way back in 1980. The great news is, she got her bits out in film A LOT. Some choice examples include *L'Amour Braque*, *Beyond the Clouds* and *Mes Nuits sont plus Belles que vos Jours* (no, me neither). She's got a big ol' bush, our Sophie, and she's not afraid to show it.

AUDREY TAUTOU

Popular internet information dump Wikipedia defines a 'gamine' as a "slim, often boyish, wide-eyed young woman who is, or is perceived to be, mischievous, teasing or sexually appealing." Or, to put it another way, Audrey Tautou in that *Amélie* film. People who get scared by the speed at which time passes these days will be horrified to realise that *Amélie* was released a full eleven years ago. Its posters were ubiquitous back in 2001, with Audrey's gamine face peering out at us over a crème brûlée. She's since appeared in the likes of *The Da Vinci Code* and *A Very Long Engagement*, but the film to track down if you want to see her boobs and possibly the peachiest, pertest butt you ever did see (no kidding) is *Le Libertin*, as her candlelit Jacuzzi scene in that is the stuff boners are made from.

EVA GREEN

31-year-old Eva Green will be known to you from the rollicking good Bond reboot *Casino Royale*, in which she a) looked well fit and b) was clearly sporting a huge pair of bazongas. The thoroughly fantastic news is, she's not afraid to get them (along with her lovely fanny) out in arty European films with titles like *The Dreamers*. In fact, it's *The Dreamers* that you really need to get your mitts on cos Eva is fully bare for a LOT of this film, even handles a soft cock in one scene, and doesn't seem to mind the camera going in for close-ups on her muff. Her nude appearances in films *Camelot* and *Cracks* are decent (*Cracks* has a bit of a lezzie topless snog in it) but *The Dreamers* is where it's at for full on rudity. Just remember to fast-forward through all the bits with subtitles. Like you need us to tell you to do that...

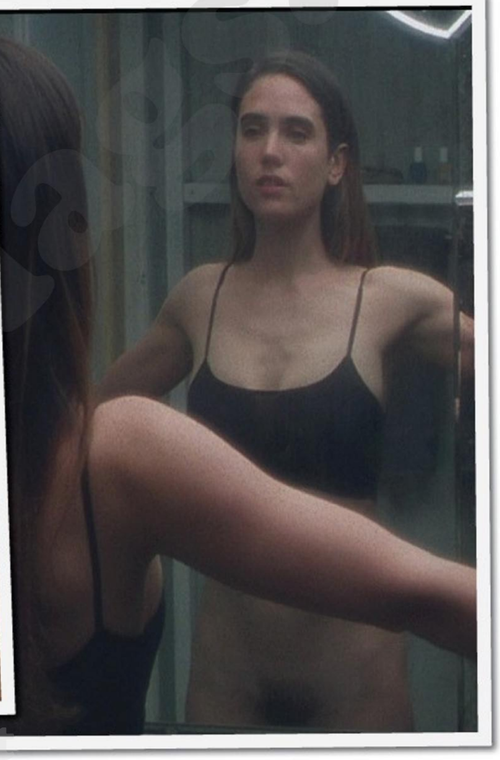


Daria

Jennifer Connelly

Love that bit in *Requiem for a Dream* where Jennifer Connelly and another actress go 'ass to ass' with nothing but a dildo to connect them? Us too – even if it was a body double. But don't worry, she carved us a big slice of fur pie in the very same film, and her body of work is full of, well, her body. But for sheer sexiness, it doesn't get hotter than *Hotspot*, where she flashes her boobs and then bends over in the nude, creating one of the sexiest arse shots since they invented films. Yep, every time Jennifer strips off for the screen, we say a requiem for our cream.

CELEBRITY SNATCH



ROLL OUT THE SHAG PILE!

Woo-hoo it's award season! But fuck the Oscars and the Grammys, *Adult Sport* was chuffed to get back row seats to the sexiest show of them all: Television X's SHAFTAs. At this pervy night held at London's Platinum Lace, the good and the badass of pornland were awarded magnificent gold cocks for services rendered. Sadly we all got a bit too mullered and preoccupied with burying our heads in porn star cleavage to accurately report on what happened. So we asked hardcore hotty Angel Long to fill you in...

Congrats on winning a SHAFTA! Where will you put it?
Thanks, I will be putting it on my mantelpiece with the other golden cocks.

What did you do to get it – did you partake in any judge bribery?
Ha ha! I can't say I bribed anyone to win it and I didn't beg for votes either. I thought if people like the scene they would vote anyway. I won it for best sex scene for my own series that I produced.

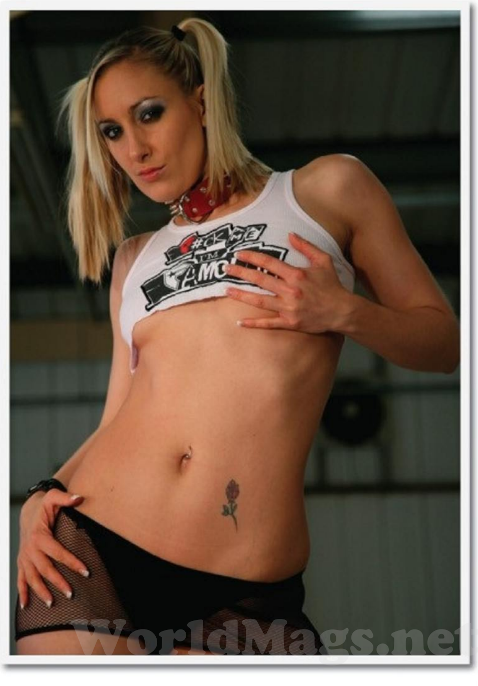
That was for the very hot *Porn Apprentice* (which is very loosely based on BBC's *The Apprentice*). Can you tell us about your scene?
The scene was sexy as fuck! I was producing it, so I was filming Mai Bailey & Lou Lou in a girl-girl scene fucking in a warehouse on a car. I was getting so horny filming it that I just had to jump in. As Mr Taylor took over the filming I donned my big black strap-on and fucked the bitches up, ha ha!

Do you get all fired up?
Hell yeah! I never expected to win against four different boy/girl scenes, so I was well fired up when they said we had won.

Who would you date, shag or marry out of Alan Sugar, Karen Brady and Nick Hewer?
I'd probably marry Nick Hewer because I reckon he's a dark horse and it's pervy to be married to an old man. Hopefully he would get turned on watching me fuck other people. I'd probably date Alan Sugar just because I think he would be interesting. I'd definitely fuck Karen Brady, because I reckon she's a filth bag and I could have a right good mess up with her.

Did you make a speech?
Yeah, kinda. I was sooooo surprised and I hate getting up and talking in front of people – I know, it's mad isn't it? I could get anally fucked live in front of loads of peeps but I hate talking. I forgot to thank Mr Taylor, Lou Lou and Mai. Silly Billy.

TELEVISION X



TELEVISION X

Is your mum proud?
My mum is well proud.

So, is the SHAFTAs just a big shagathon?
Ha ha! If only we could get away with it in the strip club.

What did you get up to?
Perved on the strippers and sorted shoots out to fuck some peeps.

What was the sexiest thing you saw?
Two girls kissing. I love it when girls kiss. Fuck, it turns me on.

Do you have any sexy tips for our readers?
Try something naughty. You never know, you might like it.

What's next for Angel Long?
I'm just looking forward to producing more this year and shooting so
redesigned my site *www.angellongxxx.com* which I'm really excited

Do you have anything else to add?
Thanks for voting for my series. I hope you enjoyed it and look forward to showing you more. Stay hard and wank harder x

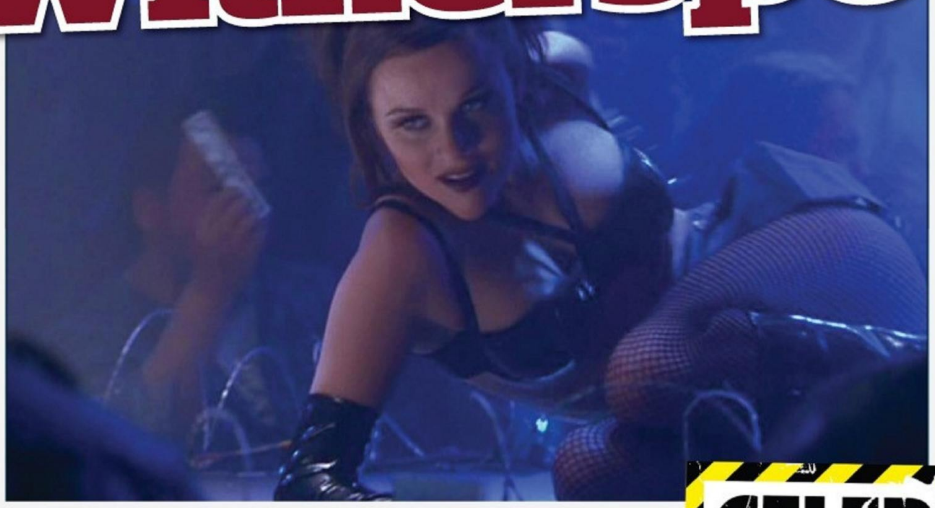
Reese Witherspoon



Do you like Reese Witherspoon? Or do you like Reese Withoutaspoon? Whatever your cutlery preference, we know that we definitely love Reese Withoutanyclothes. But sadly, she's left us hanging since 1998's *Twilight* (no, not that one), where she unveiled her top twats for what we hoped would be the first of many times. Since when, they've been seen less often than Lord Lucan. We're starting a petition now to see Reese's pieces again...

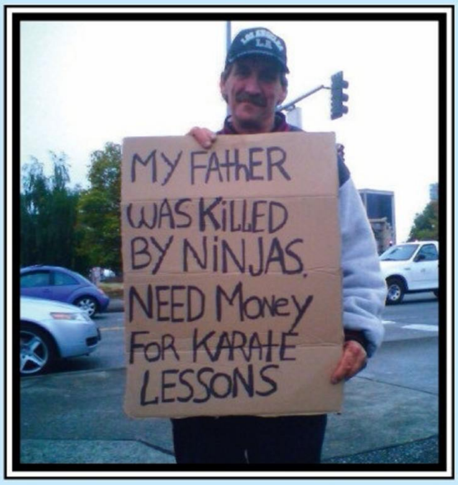
Jokes

Laugh your cock off with the best gags and funniest pics!

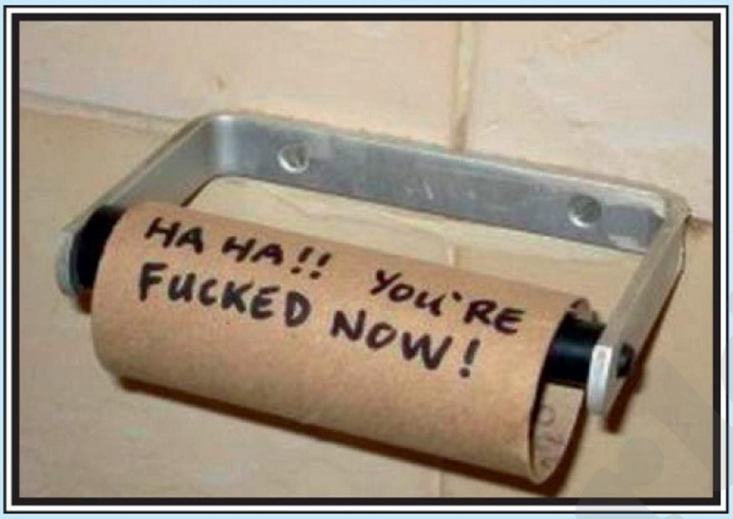
An old lady was standing at the railing of the cruise ship holding her hat on tightly so that it would not blow off in the wind.
A gentleman approached her and said: "Pardon me, madam. I do not intend to be forward, but did you know that your dress is blowing up in this high wind?"
"Yes, I know," said the lady, "I need both hands to hold onto this hat."
"But, madam, you must know that your privates are exposed!" said the gentleman in earnest.
The woman looked down, then back up at the man and replied, "Sir anything you see down there is 85-years-old. I just bought this hat yesterday!"



What do you get when you cross a genius with a hooker?

A fucking know-it-all.

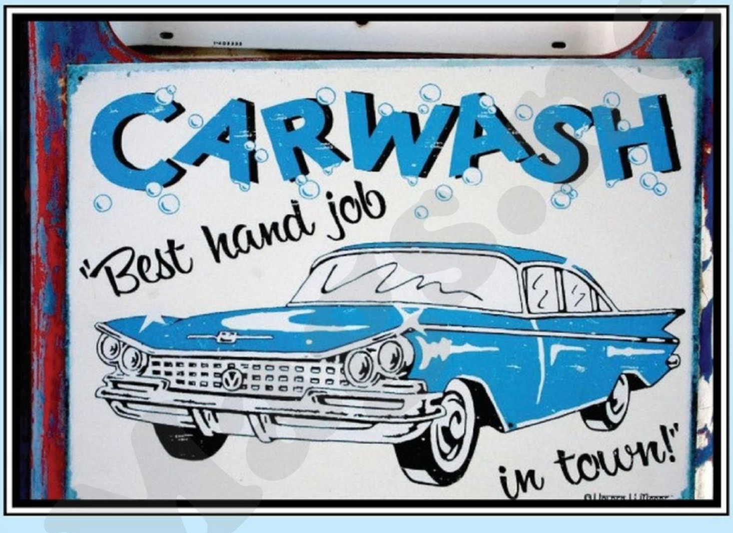
Did you hear about the porn star who had two chances to get pregnant?
She blew them both.



Two men in a pub.
One says to the other.
" Fuck knows what women see in Fred, he just sits there licking his eyebrows."

Why did Barbie never fall pregnant? Ken came in a different box·

My husband came home with a tube of KY jelly and said, "This will make you happy tonight." He was right. When he went out of the bedroom, I squirted it all over the doorknobs. He couldn't get back in.



A vain, ugly woman is on a beach when she spots a hunky man sunbathing completely naked, except for a hat covering his modesty. The woman decides to try her luck with the guy, so struts right by him and sexily drawls, "If you were a gentleman, you would lift your hat for a beautiful lady." The man looks her up and down and retorts, "Yeah? Well, if you were a beautiful lady, the hat would lift itself!"

We here at *Adullt Sport* like nothing better than a really filthy gag or hilarious photo! So if you spot anything you think will tickle us, you can post it to: *Adult Sport, 207 Old Street, London EC1V 9NR*
